MSV-5001 (White Mist)

Ideal for corporate branding, privacy, decoration, identification, advertising, manifestation and safety.
Our range of glazing films can be quickly and easily installed with stunning results making the design appear part of the glass.
Available in a range of specifications, including printable clear, printable one-way vision, privacy and view control.

Advantages of Printed Film include:

- Virtually unlimited design options
- Minimal disruption during installation
- Huge cost saving compared to Sandblasted glass

Light transmission, colour and positioning can all be designed to the nature of the space. A high specification self adhesive coating ensures installation and removal are both quick and clean, causing minimal disruption to the working environment
